

PRISCILLA EDWARDS FAMILY FUNDRAISER AUCTION

AUCTION TO BE HELD ON BIGPUMPKINS.COM IN THE CHAT ROOM

START TIME WILL BE 4PM EST AND WE WILL START PROMPTLY

Priscilla Edwards and her family lost their home in a devastating house fire over this past weekend, I can't imagine how devastating that can be for a family to endure. She is an active grower and has been very generous in sharing her seeds and knowledge with other growers and clubs alike over the past few years. She has lost the entirety of her seed collection along with all of their belongings just barely making it out of harm's way.

The giant growing community always rushes to help each other in times of need and this situation shall be no different, I expect the growing community to show up and show out for her and her family in this time of need.

Rules, Terms and Conditions - for Auction Night

- Minimum bid of **\$30.00 USD** per lot.
- All bidding will be in \$5 increments. All bids will be in U.S. dollars only. There will be no "underbidding" accepted on multiple set lots.

- Giving the circumstances, we ask that bidders be in the **continental U.S.** due to trying to raise as much money as possible and not having a lot of extra costs for international shipping.

- Several of the lots offered have more than one set of seeds. Each lot with multiple sets will have the highest bidder taking the first set at his/her bid price and have the option of buying the remaining set(s) at the same bid price. Should the high bidder elect to not take the remaining set(s) then the second highest bidder will have the option to purchase on all remaining sets at his/her bid price and so on.

All of these lots will be directly shipped to the winner of each lot from the person who has donated each lot, that is the reason for keeping all the bidding in the continental U.S. to keep the costs down for the ones donating seeds. Thank you all for understanding.

All payments must be made in the form of PayPal, **check, or money order.** Seeds **WILL NOT** be shipped until payment is received.

I would like to personally thank all of you who have reached out to donate seeds, make cash donations and helped out in any way!! This growing community are the most generous and helpful people I have ever seen!

I also want to thank Ken from Bigpumpkins.com for allowing us to use his platform for this benefit on a minute's notice, he never hesitated when asked to offer a platform. Ken has been the heart and soul of the growing community around the world, and this is no exception, so again Ken we are extremely grateful!!

For anyone who would like to make a cash donation the family PayPal link and address is where that money should be sent to.
