

## Team-Pumpkin 2017 Seed Auction

...

Team-Pumpkin will hold its' seed auction in the BigPumpkins.com chat room on 13 January 2017 at 8:00 PM EST. We thank all the very generous growers for their donations. It's their Team-Pumpkin spirit that makes this auction possible so we may continue to recruit and support new growers. Of course we can't overlook Ken with all his work to provide us all with a world class website to gather and exchange ideas, thank you Ken.

The auction will be conducted in the traditional BigPumpkins.com seed auction format with a little Team-Pumpkin flavor added. There will be 25 lots and they will move quickly so be prepared to bid if you're interested.

There are two different formats that will take place. The first 5 lots being a Team-Pumpkin style with trivia questions asked and the first person to post the correct answer will win the lot. No monetary donation required and we will even cover the shipping costs. It is recommended that you review the Team-Pumpkin website ([www.Team-Pumpkin.org](http://www.Team-Pumpkin.org)) and maybe even have it open as a quick reference guide.

Lots from 6-25 will be traditional auction style with the highest bidder winning.

*The following rules apply to both parts of the auction:*

- There will be no proxy bids. If you can't attend and want to bid then please arrange with a friend to bid for you in their own name.
- Bids will be accepted in no less than \$5 increments
- State your name with your initial bid for a lot
- Winning bidders will confirm immediately by sending an email to [bart@team-pumpkin.org](mailto:bart@team-pumpkin.org) stating their BP screen name, lot number, winning bid amount, full name, mailing address, and additional contact information. Complete payment submission details will be returned by confirmation email.
- Payments are in US funds with PayPal, money orders and checks as payment options. Cash is not accepted. The PayPal account address will be sent to those via e-mail who select this payment option.
- All sales are final
- All payments must be received by 30 January 2017. If the payment is not in by this time you will forfeit the right to getting the seeds.
- While all the offered seeds seem to be solid, Team-Pumpkin cannot guarantee germination of any seed.
- Team-Pumpkin auctions should be a fun event for all so please keep chatter appropriate and to a level that does not impede the flow of the auction.

.....

# Team-Pumpkin Seed Auction

January 13<sup>th</sup>, 2017 @ 8pm EST

////////////////////////////////////Fun/Trivia Auction Format////////////////////////////////////

## 1 Straight from CA

**1784 Glasier '13** (1730 Werner x 1770 Lieber)
