

With the blessing of Ken, we will try to hold an annual BigPumpkins.com ice fishing tournament on Feb 17th 2018. For bad weather that day the alternate day would be Sunday the 18th.

Almost all are welcome. Would just like pumpkin growers as the prizes are geared toward them, there will be several trophies awarded. Also there is no fee to enter.

Prizes

for largest, most, etc..(youth age 14 and under).at last count I have 16 trophies to give out. and a bunch of WOW gift certificates! and I hear that Ron Wallace might be there for an autograph signing!

The only requirement will be a 3 day Massachusetts fishing license.

I will supply all the equipment for the tournament, tilts, bait, jigging rods. etc....

I will have 3 ice huts (tents) with heaters warming, also a grill will be there if you want to bring burgers or dogs .

Rules will be given the morning of the tournament. Tournament will be from 8 am to 1pm.

licenses can be purchased here:
