Western Laboratories Soil test offer
<https://westernlaboratories.com/>

One free test will be given to the buyer of the first lot that sells for \$100 or more(Not in combination with the drip tape offer)

One test will be given away at a secret, preset time during the bidding, whoever bids closest to that time without going over will win. (You do not have to win the lot)

At a random time during the auction everyone signed in will have their name put into a randomizer , one soil test will be given to the winner, results of the winners will be posted as soon as possible at bigpumpkins.com on the Message Board under General Discussion. (Hopefully less than 30 minutes after the auction)

If we do not have your contact information it will be up to you to contact us at bigpumpkins.com or igpgaclub@gmail.com within 4 days after we post the winners.

This would not be possible without the generous donations made by Western Laboratories. They have spent a lot of time and effort to make these tests the best available . We want to thank them very much
