

## **OKLAHOMA GIANT PUMPKIN GROWERS**

**Auction**

**Date 03/11/2018**

**Starting at 8pm Eastern Time**

**About club: OGPG was founded in 2017 with the ambitious goal to bring an official weigh-off to the state of Oklahoma. 2018 will mark our first annual weigh-off with what we hope is a competitive prize pool to spark interest in new and veteran growers from in and around the state.**

**First and foremost, we would like to say a colossal thank you to Ken at [www.BigPumpkins.com](http://www.BigPumpkins.com) for allowing us the opportunity to host this auction. We would also like to send a huge thank you to all of the growers that supported us in this endeavor. The abundance of seeds from top growers sent to us for this auction has surpassed our expectations and our members are grateful beyond words. We would like to send out a special thank you to Mark Clementz for donating a bronze membership and a special thank you to Ron Wallace for donating his Pumpkin Pro product. Also a monumental thank you to Bryan Baker for collecting all of the seeds, without all of his hard work this auction would not be possible. We greatly appreciate any support that you as a buyer are able to give to help us meet our 2018 goals of getting a club up and off the ground, and hosting a GPC weigh off. 100% of all sales from seeds will go back to growers like you, to getting our club established, and for prize money for our very first weigh off!**
