

The PECPG or Prince Edward County pumpkin growers is one of the oldest growers clubs in the world. First formed in 1996 by the late Bill Greer, grower of the World's first Pumpkin over 1000 lbs. The PECPG held its first weigh off in Wellington Ontario in the fall of 1997. The event has become a huge annual celebration showcasing giant pumpkins from across Ontario and Quebec. Or event has continued to grow and in 2011 was honoured to weigh Jim & Kelsey Bryson's 1818 World record! Check us out at: www.pecpumpkinfest.com or on Facebook at: www.facebook.com/PrinceEdwardCountyPumpkinfest

The PECPG would like to give a big thank you to Ken at BigPumpkins.com for hosting this auction. We would also like to thank all the growers who donated seeds to help with our Annual Fundraising auction. Without their generous donation, none of this would be possible. The proceeds of this auction go directly to fund the weighoff in Wellington.
